

Student Transitions: Example of transitions practice

Title: Making the most of your time at UWS

Transition(s) the practice supports: Transitions at the start of a programme of higher education

Abstract: This series of short films, starring recent BSc (Hons) Information Systems graduate Adam Pettman and filmed by Level 9 BA (Hons) Filmmaking and Screenwriting student Belinda Cree, was produced for new students by the Student Engagement team at the University of the West of Scotland to support the transition of students into, through and out of their higher education experience.
